FS Global Credit Opportunities Fund—T, an externally managed, non-diversified, closed-end management investment company formed as a Delaware statutory trust (the “*Company*,” “*we*” or “*us*”), is offering to purchase up to the lesser of (i) 1,238,554 of our issued and outstanding common shares of beneficial interest, par value \$0.001 per share (the “*Shares*”) (which number represents 5% of the weighted average number of Shares outstanding for the calendar year ended December 31, 2019), and (ii) the greater of (x) the number of Shares that the Company can repurchase with the aggregate proceeds it has received from the sale of Shares under its distribution reinvestment plan during the twelve-month period ending on the Expiration Date (as defined below) (less the amount of any such proceeds used to repurchase Shares on each previous repurchase date for tender offers conducted during such period) and (y) the number of Shares that the Company can repurchase with the proceeds it receives from the sale of Shares under its distribution reinvestment plan during the three-month period ending on the Expiration Date. The purpose of this Offer (as defined below) is to provide shareholders with liquidity because there is otherwise no public market for the Shares. See Section 2 below. The Offer is made upon the terms and subject to the conditions set forth in this Offer to Purchase and the related Letter of Transmittal (which, together with any amendments or supplements hereto and thereto, collectively constitute the “*Offer*”). The Offer is for cash at a price equal to the net asset value per Share (“*NAV per Share*”) as of June 30, 2020 (the “*Purchase Price*”). As an example of the Purchase Price, the NAV per Share on April 30, 2020, the most recent date on which Shares were issued pursuant to the Company’s distribution reinvestment plan, was \$6.1664 per Share. The Purchase Price for Shares in this Offer may be higher or lower than this amount. The Offer will expire at 4:00 P.M., Eastern Time, on July 1, 2020 (the “*Expiration Date*”), unless extended.

THE OFFER IS NOT CONDITIONED ON ANY MINIMUM NUMBER OF SHARES BEING TENDERED. THE OFFER IS, HOWEVER, SUBJECT TO OTHER CONDITIONS. SEE SECTION 1 AND SECTION 3 BELOW.

IMPORTANT INFORMATION

Shareholders who desire to tender their Shares should either: (i) properly complete and sign the Letter of Transmittal, provide thereon the original of (or a copy thereof) any required signature(s) and original of any required signature guarantee(s) and mail or deliver it and any other documents required by the Letter of Transmittal; or (ii) request their broker, dealer, commercial bank, trust company or other nominee to effect the transaction on their behalf. Shareholders who desire to tender Shares registered in the name of such a firm must contact that firm to effect a tender on their behalf. Tendering shareholders will not be obligated to pay brokerage commissions in connection with their tender of Shares, but they may be charged a fee by such a firm for processing the tender(s). The Company reserves the absolute right to reject tenders determined not to be in appropriate form, subject to the rights of tendering shareholders to challenge the Company’s determination in a court of competent jurisdiction.

IF YOU DO NOT WISH TO TENDER YOUR SHARES, YOU NEED NOT TAKE ANY ACTION.

IF MADE OR GIVEN, ANY SUCH RECOMMENDATION, REPRESENTATION OR INFORMATION MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE COMPANY, THE BOARD OR FS GLOBAL ADVISOR. SUMMARY TERM SHEET

(Section references are to this Offer to Purchase)

This Summary Term Sheet highlights the material information concerning this Offer. For a more complete discussion of the terms and conditions of the Offer, you should read carefully the entire Offer to Purchase and the related Letter of Transmittal, which will be mailed to shareholders on or before June 2, 2020.

What is the Offer?

- We are offering to purchase up to the lesser of (i) 1,238,554 Shares (which number represents 5% of the weighted average number of Shares outstanding for the calendar year ended December 31, 2019), and (ii) the greater of (x) the number of Shares that the Company can repurchase with the aggregate proceeds it has received from the sale of Shares under its distribution reinvestment plan during the twelve-month period ending on the Expiration Date (less the amount of any such proceeds used to repurchase Shares on each previous repurchase date for tender offers conducted during such period) and (y) the number of Shares that the Company can repurchase with the proceeds it receives from the sale of Shares under its distribution reinvestment plan during the three-month period ending on the Expiration Date. The Offer is for cash at a price equal to the NAV per Share as of June 30, 2020 upon the terms and subject to the conditions set forth in this Offer to Purchase and the related Letter of Transmittal. As an example of the Purchase Price, the NAV per Share on April 30, 2020, the most recent date on which Shares were issued pursuant to the Company's distribution reinvestment plan, was \$6.1664 per Share. The Purchase Price for Shares in this Offer may be higher or lower than this amount.

Why is the Company making the tender offer?

- The Offer is designed to provide a measure of liquidity to holders of Shares, for which there is otherwise no current public market. We intend to make quarterly repurchase offers for our Shares prior to the occurrence of a liquidity event, if any. See Section 2 below.

When will the Offer expire, and may the Offer be extended?

- The Offer will expire at 4:00 P.M., Eastern Time, on July 1, 2020, unless extended. The Company may extend the period of time the Offer will be open by issuing a press release or making some other public announcement by no later than 9:00 A.M., Eastern Time, on the next business day after the Offer otherwise would have expired. See Section 14 below.

What is the most recent NAV per Share?

- On April 30, 2020, the most recent date on which Shares were issued pursuant to the Company's distribution reinvestment plan, the NAV per Share was \$6.1664.

Are there conditions to the Offer?

- Yes. You must either tender at least 25% of the Shares you have purchased or all of the Shares that you own. If you choose to tender only a portion of your Shares, you generally must maintain a minimum balance of \$5,000 worth of Shares following the tender of Shares for repurchase. If the amount of repurchase requests exceeds the number of Shares we seek to repurchase, we will repurchase Shares on a pro rata basis. See Section 1 and Section 3 below for a more complete description of the conditions to the Offer.

How do I tender my Shares?

- If your Shares are registered in your name, you should obtain the Offer, which consists of this Offer to Purchase, the related Letter of Transmittal, and any amendments or supplements hereto or thereto, read the materials, and if you should decide to tender, complete a Letter of Transmittal and submit any other documents required by the Letter of Transmittal. These materials must be received by the Company at the address listed on page 9 of this Offer to Purchase, in proper form, before 4:00 P.M., Eastern Time, on July 1, 2020 (unless the Offer is extended by the Company, in which case the new deadline will be

as stated in the public announcement of the extension). If your Shares are held by a broker, dealer, commercial bank, trust company or other nominee (i.e., in “street name”), you should contact that firm to obtain the package of information necessary to make your decision, and you can only tender your Shares by directing that firm to complete, compile and deliver the necessary documents for submission to the Company by 4:00 P.M., Eastern Time, on July 1, 2020 (or if the Offer is extended, the expiration date as extended). See Section 4 below.

Is there any cost to me to tender?

- There is no cost charged by the Company in connection with this Offer. Your broker, dealer, commercial bank, trust company or other nominee may charge you fees according to its individual policies.

May I withdraw my Shares after I have tendered them and, if so, by when?

- Yes, you may withdraw your Shares at any time prior to the expiration of the Offer (including any extension period) by requesting a Notice of Withdrawal and submitting it to the Company at the address listed on page 9 of this Offer to Purchase. In addition, you may withdraw your tendered Shares any time after July 29, 2020 (which is 40 business days after the commencement of the Offer), if they have not been accepted for payment by that date. See Section 5 below.

How do I withdraw tendered Shares?

- A Notice of Withdrawal must be timely received by the Company, which specifies the name of the shareholder who tendered the Shares, the number of Shares being withdrawn and other information. A Notice of Withdrawal is available upon request by contacting the Company at (877) 628-8575. See Section 5 below.

May I place any conditions on my tender of Shares?

- No.

Is there a limit on the number of Shares I may tender?

- No. However, we are limiting the aggregate number of Shares to be repurchased from all shareholders to the lesser of (i) 1,238,554 Shares (which number represents 5% of the weighted average number of Shares outstanding for the calendar year ended December 31, 2019), and (ii) the greater of (x) the number of Shares that the Company can repurchase with the aggregate proceeds it has received from the sale of Shares under its distribution reinvestment plan during the twelve-month period ending on the Expiration Date (less the amount of any such proceeds used to repurchase Shares on each previous repurchase date for tender offers conducted during such period) and (y) the number of Shares that the Company can repurchase with the proceeds it receives from the sale of Shares under its distribution reinvestment plan during the three-month period ending on the Expiration Date. In addition, a shareholder who tenders some but not all of his or her Shares for repurchase generally will be required to maintain a minimum balance of \$5,000 worth of Shares following a tender of Shares for repurchase. See Section 1 below.

What if more than the amount of Shares offered for repurchase are tendered (and not timely withdrawn)?

- The Company will purchase duly tendered Shares from tendering shareholders pursuant to the terms and conditions of the Offer on a pro rata basis in accordance with the number of Shares tendered by each shareholder (and not timely withdrawn).

If I decide not to tender, how will the Offer affect the Shares I hold?

- If the Company purchases Shares pursuant to the Offer, your percentage ownership interest in the Company will increase after completion of the Offer. See Section 10 below.

Does the Company have the financial resources to make payment for Shares accepted in the Offer?

- Yes. See Section 7 below.

If Shares I tender are accepted by the Company, when will payment be made?

- Payment for properly tendered Shares (not timely withdrawn) will be made promptly following expiration of the Offer. See Section 6 below.

Is my sale of Shares in the Offer a taxable transaction?

- For most shareholders, yes. We anticipate that U.S. Shareholders (as defined below), other than those who are tax-exempt, who sell Shares in the Offer generally will recognize gain or loss for U.S. federal income tax purposes equal to the difference between the cash they receive for the Shares sold and their adjusted basis in the Shares. The sale date for tax purposes will be the date the Company accepts Shares for purchase. See Section 13 below for details, including the nature of the income or loss and the possibility of other tax treatment. Section 13 also discusses the treatment of Non-U.S. Shareholders (as defined below). Please consult your tax advisor as well.

Is the Company required to complete the Offer and purchase all Shares tendered, assuming the total Shares tendered are less than the total Shares offered?

- Under most circumstances, yes. There are certain circumstances, however, in which the Company will not be required to purchase any Shares tendered, as described in Section 3 below.

Is there any reason Shares tendered would not be accepted?

- In addition to those circumstances described in Section 3 in which the Company is not required to accept tendered Shares, the Company has reserved the right to reject any and all tenders determined by it not to be in appropriate form, subject to the rights of tendering shareholders to challenge the Company's determination in a court of competent jurisdiction. For example, tenders will be rejected if the tender does not include an original signature(s) (or a copy thereof) or the original of any required signature guarantee(s).

How will tendered Shares be accepted for payment?

- Properly tendered Shares will be accepted for payment by the Company promptly following expiration of the Offer. See Section 6 below.

What action need I take if I decide not to tender my Shares?

- None.

Does management encourage shareholders to participate in the Offer and will they participate in the Offer?

- No. None of the Company, the Board or FS Global Advisor is making any recommendation to tender or not to tender Shares in the Offer. Based upon information provided or available to us, none of our trustees, officers or affiliates intends to tender Shares pursuant to the Offer. The Offer does not, however, restrict the purchase of Shares pursuant to the Offer from any such person. See Section 9 below.

How do I obtain information?

- Questions and requests for assistance or requests for additional copies of this Offer to Purchase, the Letter of Transmittal and all other Offer documents should be directed to the Company at (877) 628-8575. If you do not own Shares directly, you should obtain this information and the documents from your broker, dealer, commercial bank, trust company or other nominee, as appropriate.

The properly completed Letter of Transmittal should be sent to the Company at the following address:

1. *Purchase Price; Number of Shares; Expiration Date.*

FS Global Credit Opportunities Fund—T, an externally managed, non-diversified, closed-end management investment company formed as a Delaware statutory trust, is offering to purchase up to the lesser of (i) 1,238,554 Shares (which number represents 5% of the weighted average number of Shares outstanding for the calendar year ended December 31, 2019), and (ii) the greater of (x) the number of Shares that the Company can repurchase with the aggregate proceeds it has received from the sale of Shares under its distribution reinvestment plan during the twelve-month period ending on the Expiration Date (less the amount of any such proceeds used to repurchase Shares on each previous repurchase date for tender offers conducted during such period) and (y) the number of Shares that the Company can repurchase with the proceeds it receives from the sale of Shares under its distribution reinvestment plan during the three-month period ending on the Expiration Date. The purpose of the Offer is to provide shareholders with liquidity because there is otherwise no public market for the Shares. See Section 2 below. The Offer is for cash at a price equal to the NAV per Share as of June 30, 2020. As an example of the Purchase Price, the NAV per Share on April 30, 2020, the most recent date on which Shares were issued pursuant to the Company's distribution reinvestment plan, was \$6.1664 per Share. The Purchase Price for Shares in this Offer may be higher or lower than this amount. You will not receive interest on the Purchase Price under any circumstances.

If you wish to tender your Shares for repurchase, you must either tender at least 25% of the Shares you have purchased or all of the Shares that you own. If you choose to tender only a portion of your Shares, you must maintain a minimum balance of \$5,000 worth of Shares following a tender of Shares for repurchase. If more than the number of Shares offered for repurchase are duly tendered pursuant to the Offer (and not withdrawn, as provided in Section 5 below), we will repurchase Shares on a pro rata basis, in accordance with the number of Shares duly tendered by or on behalf of each shareholder (and not so withdrawn). As a result, we may repurchase less than the full amount of Shares that you tender for repurchase. To the extent you seek to tender all of the Shares that you own and the Company repurchases less than the full amount of Shares that you request to have repurchased, you may maintain a balance of Shares of less than \$5,000 following such share repurchase.

As of May 13, 2020, there were 24,721,652 Shares issued and outstanding, and there were 3,964 holders of record of Shares. Certain of these holders of record were brokers, dealers, commercial banks, trust companies and other institutions that held Shares in nominee name on behalf of multiple beneficial owners.

The Offer will remain open until 4:00 P.M., Eastern Time, on July 1, 2020, unless we, in our discretion, extend the period of time during which the Offer will remain open. If we extend the period of time during which the Offer remains open, the term "Expiration Date" will refer to the latest time and date at which the Offer expires. See Section 14 below for a description of our rights to extend, delay, terminate and/or amend the Offer.

If the Company materially changes the terms of the Offer or the information concerning the Offer, or if it waives a material condition of the Offer, the Company will extend the Offer to the extent required by Rules 13e-4(d)(2) and 13e-4(e)(3) promulgated under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). These rules require that the minimum period during which an offer must remain open following material changes in the terms of the offer or information concerning the offer (other than a change in price or a change in percentage of securities sought) will depend on the facts and circumstances, including the relative materiality of such terms or information. If (i) the Company increases or decreases the price to be paid

for Shares, or the Company increases or decreases the number of Shares being sought and (ii) the Offer is scheduled to expire at any time earlier than the expiration of a period ending on the tenth (10th) business day from, and including, the date that notice of such increase or decrease is first published, sent or given, the Offer will be extended at least until the expiration of such period of ten (10) business days.

A “business day” means any day other than a Saturday, Sunday or federal holiday and consists of the time period from 12:01 A.M. through 12:00 midnight, Eastern Time.

In the judgment of the Board, including the independent trustees, the Offer is in the best interests of our shareholders and does not violate applicable law.

The Board also considered the following factors, among others, in making its determination regarding whether to cause us to offer to repurchase Shares and under what terms:

- the effect of such repurchases on our or the Fund’s qualification as a regulated investment company (“*RIC*”) under Subchapter M of the Internal Revenue Code of 1986, as amended (the “*Code*”) (including the consequences of any necessary asset sales);
- the liquidity of the Fund’s assets (including fees and costs associated with disposing of assets);
- the Fund’s investment plans;
- our and the Fund’s working capital requirements;
- our history in repurchasing Shares or portions thereof; and
- the condition of the securities markets.

The Board has approved this Offer. The Board recognizes that the decision to accept or reject the Offer is an individual one that should be based on a variety of factors, and shareholders should consult with their personal advisors if they have questions about their financial or tax situations. As a result, we are not expressing any opinion as to whether a shareholder should accept or reject this Offer.

Involuntary Redemption

In order to minimize the expense of supporting small accounts and provide additional liquidity to shareholders of the Company holding small accounts after completion of the Company’s regular quarterly share repurchase offers, the Company reserves the right to repurchase the Shares of and liquidate any investor’s account (an “*Involuntary Redemption*”) if the balance of such account is less than the Company’s \$5,000 minimum initial investment, unless the account balance has fallen below the minimum solely as a result of a decline in the Company’s net asset value per share or if the Company waived the minimum initial investment amount for such shareholder.

This Offer shall serve as 30 days’ prior written notice to potentially affected investors of the Company’s intent to complete an Involuntary Redemption after the expiration of the Offer and the repurchase of Shares in connection with the Offer. Repurchases pursuant to an Involuntary Redemption will be made at the Company’s then-current NAV Per Share. All repurchases made by the Company pursuant to an Involuntary Redemption will be at the Company’s sole discretion.

2. Purpose of the Offer; Plans or Proposals of the Company.

The purpose of the Offer is to provide liquidity to our shareholders because there is otherwise no public market for the Shares. We intend to continue to, prior to the occurrence of a liquidity event, if any, periodically repurchase a limited number of Shares at a price equal to the NAV per Share in effect on each date of repurchase. This intention is a recognition of the fact that our Shares are not listed on a national securities exchange and have limited liquidity prior to the occurrence of a “liquidity event,” which may include, among other things, (i) a listing of the Fund’s shares on a national securities exchange followed by a distribution of the Fund’s shares held by us to our shareholders, (ii) the sale of all or substantially all of the Fund’s assets either on a complete portfolio basis or individually followed by a liquidation or (iii) a merger or another transaction approved by the Fund’s board of trustees in which we, in our capacity as a shareholder of the Fund, likely will receive cash or shares of a publicly-traded company followed by a distribution of such cash or shares to our shareholders. We may from time to time offer to repurchase Shares at such times and on such terms as may be determined by the Board in its complete and absolute discretion. Our assets consist primarily of our interest in

shares of the Fund. Therefore, in order to fund the repurchase of Shares pursuant to the Offer, we may find it necessary to liquidate all or a portion of our interest in the Fund's shares. As a result, the Offer may be conducted in parallel with a corresponding repurchase offer made by the Fund with respect to its shares. See Section 11 below.

In this regard, prior to the occurrence of a liquidity event, if any, we intend to make quarterly offers to repurchase Shares pursuant to written tenders by our shareholders. These repurchases will be made at such times and on such terms as may be determined by the Board, in its complete and absolute discretion. Although the decision whether to repurchase Shares is at the Board's sole discretion, we intend to limit the number of Shares to be repurchased during any calendar year to the greater of (x) the number of Shares that we can repurchase with the aggregate proceeds we have received from the sale of Shares under our distribution reinvestment plan during the twelve-month period ending on the Expiration Date (less the amount of any such proceeds used to repurchase Shares on each previous repurchase date for tender offers conducted during such period) and (y) the number of Shares that we can repurchase with the proceeds we receive from the sale of Shares under our distribution reinvestment plan during the three-month period ending on the Expiration Date. In addition, we will limit the number of Shares to be repurchased in any calendar year to 20% of the weighted average number of Shares outstanding in the prior calendar year, or not more than 5% in each quarter, though the actual number of Shares that we offer to repurchase may be less in light of the limitation noted above.

Except as previously disclosed by us or as may occur in the ordinary course of business, we do not have any present plans or proposals and are not engaged in any negotiations that relate to or would result in: (i) any extraordinary transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (ii) other than in connection with transactions in the ordinary course of the Company's operations and for purposes of funding the Offer, any purchase, sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (iii) any material change in the Company's present dividend rate or policy, or indebtedness or capitalization of the Company; (iv) any change in the composition of the Board or management of the Company, including, but not limited to, any plans or proposals to change the number or the term of members of the Board, to fill any existing vacancies on the Board or to change any material term of the employment contract of any executive officer; (v) any other material change in the Company's corporate structure or business, including any plans or proposals to make any changes in the Company's investment policy for which a vote would be required by Section 13 of the Investment Company Act of 1940, as amended (the "*1940 Act*"); (vi) any class of the Company's equity securities being delisted from a national securities exchange or ceasing to be authorized to be quoted in an automated quotations system operated by a registered national securities association; (vii) any class of the Company's equity securities becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; (viii) the suspension of the Company's obligation to file reports pursuant to Section 15(d) of the Exchange Act; (ix) other than in connection with transactions in the ordinary course of the Company's operations, the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; or (x) any changes in the Company's charter, bylaws or other governing instruments or other actions that could impede the acquisition of control of the Company.

3. Certain Conditions of the Offer.

Notwithstanding any other provision of the Offer, we will not be required to purchase any Shares tendered pursuant to the Offer if such repurchase will cause us to be in violation of the securities, commodities or other laws of the United States or any other relevant jurisdiction. Further, we will not be required to purchase any Shares tendered in the Offer if there is any (i) material legal action or proceeding instituted or threatened which challenges, in the Board's judgment, the Offer or otherwise materially adversely affects the Company, (ii) declaration of a banking moratorium by federal, state or foreign authorities or any suspension of payment by banks in the United States, the State of New York or in a foreign country which is material to the Company, (iii) limitation which affects the Company or the issuers of its portfolio securities imposed by federal, state or foreign authorities on the extension of credit by lending institutions or on the exchange of foreign currencies, (iv) commencement of war, armed hostilities or other international or national calamity directly or indirectly involving the United States or any foreign country that is material to the Company or (v) other event or condition which, in the Board's judgment, would have a material adverse effect on the Company or its shareholders if Shares tendered pursuant to the Offer were purchased.

The foregoing conditions are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to any such condition, and any such condition may be waived by us, in whole or in part, at any time

and from time to time in our reasonable judgment. Our failure at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right; the waiver of any such right with respect to particular facts and circumstances shall not be deemed a waiver with respect to any other facts or circumstances; and each such right shall be deemed an ongoing right which may be asserted at any time and from time to time; provided that any such waiver shall apply to all tenders of Shares. Any determination by us concerning the events described in this Section 3 shall be final and binding, subject to the rights of tendering shareholders to challenge our determination in a court of competent jurisdiction.

We reserve the right at any time during the pendency of the Offer to amend, extend or terminate the Offer in any respect. See Section 14 below.

We reserve the absolute right to reject any or all tenders determined not to be in appropriate form or to refuse to accept for payment, purchase or pay for, any Shares if, in the opinion of our counsel, accepting, purchasing or paying for such Shares would be unlawful. We also reserve the absolute right to waive any of the conditions of the Offer or

any defect in any tender, whether generally or with respect to any particular Share(s) or shareholder(s). Our interpretations, in consultation with our counsel, of the terms and conditions of the Offer shall be final and binding, subject to the rights of tendering shareholders to challenge our determination in a court of competent jurisdiction.

NONE OF THE COMPANY, THE BOARD, FS GLOBAL ADVISOR OR ANY OTHER PERSON IS OR WILL BE OBLIGATED TO GIVE ANY NOTICE OF ANY DEFECT OR IRREGULARITY IN ANY TENDER, AND NONE OF THEM WILL INCUR ANY LIABILITY FOR FAILURE TO GIVE ANY SUCH NOTICE.

c. United States Federal Income Tax Withholding.

To prevent the imposition of U.S. federal backup withholding tax on the gross payments made pursuant to the Offer, prior to receiving such payments, each shareholder accepting the Offer who has not previously submitted to the Company a correct, completed and signed Internal Revenue Service (“IRS”) Form W-9 (“**Form W-9**”) (for U.S. Shareholders) or IRS Form W-8BEN (“**Form W-8BEN**”), IRS Form W-8BEN-E (“**Form W-8BEN-E**”), IRS Form W-8IMY (“**Form W-8IMY**”), IRS Form W-8ECI (“**Form W-8ECI**”), IRS Form W-8EXP (“**Form W-8EXP**”) or other applicable form (for Non-U.S. Shareholders), or otherwise established an exemption from such withholding, must submit the appropriate form to the Company. The applicable rate for backup withholding is currently 24%. See Section 13 below.

For this purpose, a “U.S. Shareholder” is, in general, a beneficial owner of our Shares for U.S. federal income tax purposes that is (i) a citizen or individual resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or any political subdivision thereof, (iii) an estate the income of which is subject to United States federal income taxation regardless of the source of such income or (iv) a trust if (A) a court within the United States is able to exercise primary supervision over the administration of the trust and (B) one or more U.S. persons have the authority to control all substantial decisions of the trust. A “Non-U.S. Shareholder” is any beneficial owner of our Shares for U.S. federal income tax purposes other than a U.S. Shareholder.

5. Withdrawal Rights.

At any time prior to 4:00 P.M., Eastern Time, on the Expiration Date, and, if the Shares have not by then been accepted for payment by us, at any time after July 29, 2020 (which is 40 business days after the commencement of the Offer), any shareholder may withdraw any number of the Shares that the shareholder has tendered.

To be effective, a written Notice of Withdrawal must be timely received by us via mail, courier or personal delivery at the address listed on page 9 of this Offer to Purchase. Any Notice of Withdrawal must specify the name(s) of the shareholder having tendered the Shares to be withdrawn and the number of Shares to be withdrawn. The form of the Notice of Withdrawal is available upon request by contacting us at (877) 628-8575.

All questions as to the validity, form and eligibility (including time of receipt) of Notices of Withdrawal will be determined by us, in our sole discretion, which determination shall be final and binding, subject to the rights of tendering shareholders to challenge our determination in a court of competent jurisdiction. Shares properly withdrawn will not thereafter be deemed to be tendered for purposes of the Offer. Withdrawn Shares, however, may be re-tendered by following the procedures described in Section 4 above prior to 4:00 P.M., Eastern Time, on the Expiration Date.

6. Payment for Shares.

Our acceptance of your Shares will form a binding agreement between you and the Company on the terms and subject to the conditions of this Offer. We will have accepted for payment Shares validly submitted for purchase and not withdrawn, when we give oral or written notice to DST Systems, Inc., our transfer agent (the “**Transfer Agent**”), of our acceptance for payment of such Shares pursuant to the Offer. You will not receive interest on the Purchase Price under any circumstances.

In all cases, payment for Shares purchased pursuant to the Offer will be made only after timely receipt by us of: (i) a Letter of Transmittal properly completed and bearing an original signature(s) (or a copy thereof) and any required signature guarantee(s); and (ii) any other documents required by the Letter of Transmittal. Shareholders may be charged a fee by a broker, dealer or other institution for processing the tender request. We

will pay any transfer taxes payable on the transfer of Shares purchased pursuant to the Offer. If, however, tendered Shares are registered in the name of any person other than the person signing the Letter of Transmittal, the amount of any such transfer taxes (whether imposed on the registered holder(s) or such other person(s)) payable on account of the transfer to such person of such Shares will be deducted from the Purchase Price unless satisfactory evidence of the payment of such taxes, or exemption therefrom, is submitted. We will not be obligated to purchase Shares pursuant to the Offer under certain conditions. See Section 3 above.

Any tendering shareholder or other payee who has not previously submitted a correct, completed and signed Form W-9, Form W-8BEN, Form W-8BEN-E, Form W-8IMY, Form W-8ECI, Form W-8EXP or other appropriate form, as necessary, and who fails to complete fully and sign either a Form W-9 or other appropriate form (e.g., Form W-8BEN, Form W-8BEN-E, Form W-8IMY, Form W-8ECI or Form W-8EXP) and provide such properly completed form to us may be subject to federal backup withholding tax on the gross proceeds paid to such shareholder or other payee pursuant to the Offer. The applicable rate for backup withholding is currently 24%. See Section 13 regarding this tax as well as possible withholding at the rate of 30% (or lower applicable treaty rate) on the gross proceeds payable to tendering Non-U.S. Shareholders.

7. Source and Amount of Funds.

The total cost to us of purchasing the estimated maximum of 1,238,554 of our issued and outstanding Shares pursuant to the Offer, assuming a Purchase Price of \$6.1664 per Share based upon the NAV per Share as of April 30, 2020, the most recent date on which Shares were issued pursuant to the Company's distribution reinvestment plan, would be \$7,637,419. As discussed in Section 1, we are limiting the aggregate number of Shares to be repurchased to the lesser of (i) 1,238,554 Shares (which number represents 5% of the weighted average number of Shares outstanding for the calendar year ended December 31, 2019), and (ii) the greater of (x) the number of Shares that the Company can repurchase with the aggregate proceeds it has received from the sale of Shares under its distribution reinvestment plan during the twelve-month period ending on the Expiration Date (less the amount of any such proceeds used to repurchase Shares on each previous repurchase date for tender offers conducted during such period) and (y) the number of Shares that the Company can repurchase with the proceeds it receives from the sale of Shares under its distribution reinvestment plan during the three-month period ending on the Expiration Date. The actual number of Shares to be repurchased, the actual Purchase Price, and therefore our total cost of purchasing Shares pursuant to the Offer, is not determinable at this time. Our assets consist primarily of our interest in shares of the Fund. Therefore, in order to fund the repurchase of Shares pursuant to the Offer, we may find it necessary to liquidate all or a portion of our interest in the Fund's shares. As a result, the Offer may be conducted in parallel with a corresponding repurchase offer made by the Fund with respect to its shares.

8. Financial Statements.

Financial statements have not been included herein because the consideration offered to shareholders consists solely of cash; the Offer is not subject to any financing condition; and the Company is a public reporting company under Section 13(a) of the Exchange Act and Section 30 of the 1940 Act and the rules and regulations thereunder and files its reports electronically on the EDGAR system.

Information about the Company and reports filed with the U.S. Securities and Exchange Commission (the "**SEC**") can be viewed and copied at the SEC's Public Reference Room in Washington, D.C. Information about the Reference Room's operations may be obtained by calling the SEC at (202) 551-8090. Reports and other information about the Company are available on the EDGAR Database on the SEC's Internet site (www.sec.gov), and copies of this information may be obtained, after paying a duplicating fee, by electronic request at the following e-mail address: publicinfo@sec.gov, or by writing the Public Reference Section of the SEC, 100 F Street, N.E., Washington, D.C. 20549.

(2) Based on a total of 24,721,652 Shares issued and outstanding on May 13, 2020.

During the sixty days prior to May 13, 2020, we have issued an aggregate of 110,405 Shares at an average price per Share of \$6.1407 for gross proceeds of approximately \$0.68 million in closings that occurred on March 31, 2020 and April 30, 2020. Because we closed our public offering in June 2017, the number of Shares sold during this period includes only Shares issued pursuant to our distribution reinvestment plan. Based upon our records and upon information provided to us, there have not been any other transactions in Shares that were effected during such period by any of our trustees or executive officers, any person controlling the Company, any trustee or executive officer of any corporation or other person ultimately in control of the Company, any associate or minority-owned subsidiary of the Company or any executive officer or manager of any subsidiary of the Company. Neither we nor, to the best of our knowledge, any of the above-mentioned persons, is a party to any contract, arrangement, understanding or relationship with any other person relating, directly or indirectly, to the Offer with respect to any of our securities (including, but not limited to, any contract, arrangement, understanding or relationship concerning the transfer or the voting of any such securities, joint ventures, loan or option arrangements, puts or calls, guaranties of loans, guaranties against loss or the giving or withholding of proxies, consents or authorizations). Based upon information provided or available to us, none of our trustees, officers or affiliates intends to tender Shares pursuant to the Offer. The Offer does not, however, restrict the purchase of Shares pursuant to the Offer from any such person.

10. *Certain Effects of the Offer.*

The purchase of Shares pursuant to the Offer may have the effect of increasing the proportionate interest in the Company of shareholders who do not tender Shares. All shareholders remaining after the Offer will be subject to any increased risks associated with the reduction in the number of outstanding Shares and the reduction in the Company's assets resulting from payment for the tendered Shares. See Section 7 above. All Shares purchased by the Company pursuant to the Offer will be retired and thereafter will be authorized and unissued Shares.

11. *Certain Information about the Company.*

We are an externally managed, non-diversified, closed-end management investment company that is registered under the 1940 Act. We intend to elect to be treated for U.S. federal income tax purposes, and intend to qualify annually, as a RIC under Subchapter M of the Code.

Our primary investment objective is to generate an attractive total return consisting of a high level of current income and capital appreciation, with a secondary objective of capital preservation. We seek to achieve our investment objectives by investing substantially all of the net proceeds from the issuance of our Shares in the Fund. The Fund is a separate, non-diversified, closed-end management investment company that is registered under the 1940 Act and has the same investment objectives as the Company. The Fund is managed by FS Global Advisor, a private investment firm that is registered as an investment adviser with the SEC and is an affiliate of ours. FS Global Advisor oversees the management of the Fund's activities and is responsible for making investment decisions for the Fund's portfolio. All investments are made at the Fund level; therefore, our investment results correspond directly to the investment results of the Fund. The Fund seeks to achieve its investment objectives by focusing on a limited number of opportunities across the investment universe that it believes offer potentially exceptional risk-adjusted income and returns as compared to more traditional investment strategies under current and expected economic conditions. By focusing on high conviction investment opportunities, without respect to geographic constraints, and on strategies such as event-driven, special situations and market price inefficiencies, the Fund believes it can create a portfolio that offers high potential income and returns while limiting its risk.

Our principal office is located at 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112 and our telephone number is (215) 495-1150.

You may inspect and copy these reports and other information at the SEC's Public Reference Room at 100 F Street, N.E., Washington, D.C. 20549. 13. *Certain United States Federal Income Tax Consequences.*

The following discussion is a general summary of the U.S. federal income tax consequences of a sale of Shares pursuant to the Offer. This summary is based upon the Code, applicable Treasury regulations promulgated thereunder, rulings and administrative pronouncements and judicial decisions, changes in which could affect the tax consequences described herein and could occur on a retroactive basis. This summary addresses only Shares held as capital assets. This summary does not address all of the tax consequences that may be relevant to shareholders in light of their particular circumstances. In addition, this summary does not address (i) any state, local or foreign tax considerations that may be relevant to a shareholder's decision to tender Shares pursuant to the Offer; or (ii) any tax consequences to partnerships or entities classified as partnerships for U.S. federal tax purposes (or their partners or members) tendering Shares pursuant to the Offer. Shareholders should consult their own tax advisors regarding the tax consequences of a sale of Shares pursuant to the Offer, as well as the effects of state and local tax laws. See Section 4.c. "Procedures for Tendering Shares—United States Federal Income Tax Withholding" above.

a. *U.S. Shareholders.*

The sale of Shares pursuant to the Offer will generally be a taxable transaction for U.S. federal income tax purposes, either as a "sale or exchange," or under certain circumstances, as a "dividend." Under Section 302(b) of the Code, a distribution derived from the sale of Shares pursuant to the Offer generally will be treated as a "sale or exchange" if the distribution: (i) results in a "complete termination" of the shareholder's interest in the Company, (ii) is "substantially disproportionate" with respect to the shareholder or (iii) is "not essentially equivalent to a dividend" with respect to the shareholder. A distribution generally will be considered to have been made in "complete termination" of a shareholder's interest in the Company if all of the Shares then actually and constructively owned by the shareholder are tendered by such shareholder pursuant to the Offer. A "substantially disproportionate" distribution generally requires a reduction of at least 20% in a shareholder's proportionate interest in the Company following the Offer. A distribution "not essentially equivalent to a dividend" requires that there be a "meaningful reduction" in a shareholder's interest in the Company, which generally should be the case if the Shareholder has a minimal interest in the Company, exercises no control over the Company's affairs, and suffers a reduction in his or her proportionate interest in the Company. In determining whether any of these tests has been met, Shares actually owned, as well as Shares considered to be owned by the shareholder by reason of certain constructive ownership rules set forth in Section 318 of the Code, generally must be taken into account.

If any of these three tests for "sale or exchange" treatment is met, a shareholder will recognize gain or loss equal to the difference between the amount of cash received pursuant to the Offer and the tax basis of the Shares sold. The gain or loss will be a capital gain or loss. In general, capital gain or loss with respect to Shares sold will be long-term capital gain or loss if the holding period for such Shares is more than one year. The maximum long-term capital gains rate applicable to individual shareholders is generally 15% or 20% depending on whether the individual's income exceeds certain threshold amounts. The ability to deduct capital losses is limited. Under the "wash sale" rules of the Code, recognition of a loss on Shares sold pursuant to the Offer will ordinarily be disallowed to the extent a shareholder acquires substantially identical Shares within 30 days before or after the date the Shares are purchased by the Company pursuant to the Offer. In that event, the basis and holding period of the Shares acquired will be adjusted to reflect the disallowed loss. Additionally, any loss realized upon a taxable disposition of Shares held for six months or less will be treated as a long-term capital loss to the extent of any capital gains dividends received by the shareholder (or amounts credited to the shareholder as undistributed capital gains) with respect to such Shares.

If none of the tests set forth in Section 302(b) of the Code are met, amounts received by a shareholder who sells Shares pursuant to the Offer will be taxable to the shareholder as a "dividend" to the extent of such shareholder's allocable share of the Company's current or accumulated earnings and profits, and the excess of such amounts received over the portion that is taxable as a dividend will constitute a non-taxable return of capital (to the extent of the shareholder's tax basis in the Shares sold pursuant to the Offer). Any amounts received in excess of the shareholder's tax basis in such case will constitute taxable gain. If the amounts received by a tendering shareholder are treated as a "dividend," the tax basis in the Shares tendered to the Company will be transferred to any remaining Shares held by such shareholder.

In addition, if a tender of Shares is treated as a “dividend” to a tendering shareholder, the IRS may take the position that a constructive distribution under Section 305(c) of the Code may result to a shareholder whose proportionate interest in the earnings and assets of the Company has been increased by such tender. Shareholders are urged to consult their own tax advisors regarding the possibility of deemed distributions resulting from the sale of Shares pursuant to the Offer.

An additional 3.8% Medicare tax is imposed on certain net investment income (including dividends or gains recognized in connection with payments made to U.S. shareholders pursuant to the Offer) of U.S. individuals, estates and trusts to the extent that such person’s “modified adjusted gross income” (in the case of an individual) or “adjusted gross income” (in the case of an estate or trust) exceeds certain threshold amounts.

The Company cannot predict whether or the extent to which the Offer will be oversubscribed. If the Offer is oversubscribed, proration of tenders pursuant to the Offer will cause the Company to accept fewer Shares than are tendered. Therefore, a U.S. Shareholder can be given no assurance that a sufficient number of such U.S. Shareholder’s Shares will be purchased pursuant to the Offer to ensure that such purchase will be treated as a “sale or exchange”, rather than as a “dividend”, for U.S. federal income tax purposes pursuant to the rules discussed above.

The Company may be required to withhold a portion of the gross proceeds paid to a U.S. Shareholder or other payee pursuant to the Offer unless the U.S. Shareholder has completed and submitted to the Company a Form W-9, providing the U.S. Shareholder’s employer identification number or social security number, as applicable, and certifying under penalties of perjury that: (a) such number is correct; (b) either (i) the U.S. Shareholder is exempt from backup withholding, (ii) the U.S. Shareholder has not been notified by the IRS that the U.S. Shareholder is subject to backup withholding as a result of an under-reporting of interest or dividends, or (iii) the IRS has notified the U.S. Shareholder that the U.S. Shareholder is no longer subject to backup withholding; or (c) an exception applies under applicable law. The applicable rate for backup withholding is currently 24%. Even though the Company may have received a completed Form W-9 from a U.S. Shareholder, the Company may nevertheless be required to backup withhold if it receives a notice from the IRS to that effect.

b. Non-U.S. Shareholders.

The U.S. federal income taxation of a Non-U.S. Shareholder on a sale of Shares pursuant to the Offer depends on whether this transaction is “effectively connected” with a trade or business carried on in the United States by the Non-U.S. Shareholder (and if an income tax treaty applies, on whether the Non-U.S. Shareholder maintains a U.S. permanent establishment) as well as the tax characterization of the transaction as either a sale of the Shares or a dividend distribution by the Company, as discussed above for U.S. Shareholders. If the sale of Shares pursuant to the Offer is not so effectively connected (or, if an income tax treaty applies, the Non-U.S. Shareholder does not maintain a U.S. permanent establishment) and if, as anticipated for U.S. Shareholders, it gives rise to gain or loss rather than dividend treatment, any gain realized by a Non-U.S. Shareholder upon the tender of Shares pursuant to the Offer will not be subject to U.S. federal income tax or to any U.S. tax withholding; provided, however, that such a gain will be subject to U.S. federal income tax at the rate of 30% (or such lower rate as may be applicable under an income tax treaty) if the Non-U.S. Shareholder is a non-resident alien individual who is physically present in the United States for more than 182 days during the taxable year of the sale. If, however, Non-U.S. Shareholders are deemed, for the reasons described above in respect of U.S. Shareholders, to receive a dividend distribution from the Company with respect to Shares they tender, the portion of the distribution treated as a dividend to the Non-U.S. Shareholder would be subject to a U.S. withholding tax at the rate of 30% (or such lower rate as may be applicable under a tax treaty) if the dividend is not effectively connected with the conduct of a trade or business in the United States by the Non-U.S. Shareholder.

If the amount realized on the tender of Shares by a Non-U.S. Shareholder is effectively connected with the conduct of a trade or business in the United States by the Non-U.S. Shareholder (and, if an income tax treaty applies, the Non-U.S. Shareholder maintains a U.S. permanent establishment), regardless of whether the tender is characterized as a sale or as giving rise to a dividend distribution from the Company for U.S. federal income tax purposes, the transaction will be treated and taxed in the same manner as if the Shares involved were tendered by a U.S. Shareholder.

Any dividends received by a corporate Non-U.S. Shareholder that are effectively connected with a U.S. trade or business in which the corporate shareholder is engaged (and if an income tax treaty applies, are attributable to a permanent establishment maintained by the corporate Non-U.S. Shareholder) also may be subject to an additional branch profits tax at a 30% rate, or lower applicable treaty rate.

Non-U.S. Shareholders should provide the Company with a properly completed Form W-8BEN, Form W-8BEN-E, Form W-8IMY, Form W-8ECI, Form W-8EXP or other applicable form in order to avoid backup withholding on the cash they receive from the Company regardless of how they are taxed with respect to their tender of the Shares involved.

The Foreign Account Tax Compliance Act (“*FATCA*”) provisions of the Code generally impose withholding tax on certain payments made to a foreign entity if such entity fails to satisfy certain disclosure and reporting rules. FATCA generally requires that (i) in the case of a foreign financial institution (defined broadly to include a bank, certain insurance companies, a hedge fund, a private equity fund, a mutual fund, a securitization vehicle or other investment vehicle), the entity identifies and provides information in respect of financial accounts with such entity held (directly or indirectly) by U.S. persons and U.S.-owned foreign entities and (ii) in the case of a non-financial foreign entity, the entity identifies and provides information in respect of substantial U.S. owners of such entity. The types of payments subject to FATCA withholding include, among others, dividends and (beginning on January 1, 2019) the gross proceeds from the sale, exchange, or other disposition of any property, such as Shares, that could produce U.S. source dividends. However, if a tendering Non-U.S. Shareholder is subject to withholding under FATCA and is also subject to either backup withholding or U.S. nonresident withholding at source, the Company will withhold only under FATCA (subject to an ability by the Company to elect to backup withhold in certain circumstances).

The tax discussion set forth above is included for general information only. Each shareholder is urged to consult such shareholder’s own tax advisor to determine the particular tax consequences to him or her of the Offer, including the applicability and effect of state, local and foreign tax laws.

14. Amendments; Extension of Tender Period; Termination.

We reserve the right, at any time during the pendency of the Offer, to amend, supplement, extend or terminate the Offer in any respect. Without limiting the manner in which we may choose to make a public announcement of such an amendment, supplement, extension or termination, we shall have no obligation to publish, advertise or otherwise communicate any such public announcement, except as provided by applicable law (including Rules 14e-1(d) and 13e-4(e)(3) promulgated under the Exchange Act).

We may extend the period of time the Offer will be open by issuing a press release or making some other public announcement by no later than 9:00 A.M., Eastern Time, on the next business day after the Offer otherwise would have expired. Except to the extent required by applicable law (including Rule 13e-4(f)(1) promulgated under the Exchange Act), we will have no obligation to extend the Offer.

The Offer is not being made to, nor will we accept tenders from, or on behalf of, owners of Shares in any jurisdiction in which the making of the Offer or its acceptance would not comply with the securities or “blue sky” laws of that jurisdiction. We are not aware of any jurisdiction in which the making of the Offer or the acceptance of tenders of, purchase of, or payment for, Shares in accordance with the Offer would not be in compliance with the laws of such jurisdiction. We, however, reserve the right to exclude shareholders in any jurisdiction in which it is asserted that the Offer cannot lawfully be made or tendered Shares cannot lawfully be accepted, purchased or paid for. So long as we make a good-faith effort to comply with any state law deemed applicable to the Offer, we believe that the exclusion of holders residing in any such jurisdiction is permitted under Rule 13e-4(f)(9) promulgated under the Exchange Act. In any jurisdiction where the securities, blue sky or other laws require the Offer to be made by a licensed broker or dealer, the Offer shall be deemed to be made on our behalf by one or more brokers or dealers licensed under the laws of such jurisdiction.

LETTER OF TRANSMITTAL (continued)

Ladies and Gentlemen:

This Letter of Transmittal is provided in connection with the Company's offer dated May 22, 2020 to purchase up to the lesser of (i) 1,238,554 of the Company's issued and outstanding common shares of beneficial interest, par value \$0.001 per share (the "**Shares**") (which number represents 5% of the weighted average number of Shares outstanding for the calendar year ended December 31, 2019), and (ii) the greater of (x) the number of Shares that the Company can repurchase with the aggregate proceeds it has received from the sale of Shares under its distribution reinvestment plan during the twelve-month period ending on the Expiration Date (as defined below) (less the amount of any such proceeds used to repurchase Shares on each previous repurchase date for tender offers conducted during such period) and (y) the number of Shares that the Company can repurchase with the proceeds it receives from the sale of Shares under its distribution reinvestment plan during the three-month period ending on the Expiration Date (the "**Offer to Purchase**"). The person(s) submitting this Letter of Transmittal (the "**Signatory**") hereby tender(s) to the Company, which is an externally managed, non-diversified, closed-end management investment company formed as a Delaware statutory trust, the number of Shares specified below in Section B "Number of Shares Being Tendered" for purchase by the Company at a price equal to the net asset value per share ("**NAV per Share**") as of June 30, 2020 (the "**Purchase Price**"), in cash, under the terms and subject to the conditions set forth in the Offer to Purchase, receipt of which is hereby acknowledged, and in this Letter of Transmittal (which Offer to Purchase and Letter of Transmittal, together with any amendments or supplements hereto and thereto, collectively constitute the "**Offer**"). As an example of the Purchase Price, the NAV per Share on April 30, 2020, the most recent date on which Shares were issued pursuant to the Company's distribution reinvestment plan, was \$6.1664 per Share. The Purchase Price for Shares in this Offer may be higher or lower than this amount. The Offer will expire at 4:00 P.M., Eastern Time, on July 1, 2020 (the "**Expiration Date**"), unless extended.

Subject to, and effective upon, acceptance for payment of, or payment for, Shares tendered herewith in accordance with the terms and subject to the conditions of the Offer, the Signatory hereby sells, assigns and transfers to, or upon the order of, the Company, all right, title and interest in and to all of the Shares that are being tendered hereby that are purchased pursuant to the Offer, and hereby irrevocably constitutes and appoints DST Systems, Inc. as attorney-in-fact of the Signatory with respect to such Shares, with full power of substitution (such power of attorney being deemed to be an irrevocable power coupled with an interest), to receive all benefits and otherwise exercise all rights of beneficial ownership of such Shares, all in accordance with the terms and subject to the conditions set forth in the Offer.

The name(s) of the registered holder(s) on this Letter of Transmittal must correspond exactly with the name(s) on the subscription agreement accepted by the Company in connection with the purchase of the Shares, unless such Shares have been transferred by the registered holder(s), in which event the name(s) of the holder(s) on this Letter of Transmittal must correspond exactly with the name of the last transferee indicated on the stock ledger maintained in book-entry form by DST Systems, Inc., the Company's transfer agent.

The Signatory recognizes that, under certain circumstances as set forth in the Offer to Purchase, the Company may amend, extend or terminate the Offer or may not be required to purchase any of the Shares tendered hereby. In any such event, the Signatory understands that the Shares not purchased, if any, will continue to be held by the Signatory and will not be tendered.

The Signatory understands that acceptance of Shares by the Company for payment will constitute a binding agreement between the Signatory and the Company upon the terms and subject to the conditions of the Offer.

The Signatory understands that the payment of the Purchase Price for the Shares accepted for purchase by the Company will be made as promptly as practicable by the Company following the conclusion of the Offer and that in no event will the Signatory receive any interest on the Purchase Price. Payment of the Purchase Price for the Shares tendered by the Signatory will be made on behalf of the Company by check or wire transfer to the account identified by the Signatory below.

LETTER OF TRANSMITTAL (continued)

If the Signatory participates in the Company's distribution reinvestment plan, the Signatory will continue to participate in the distribution reinvestment plan unless the Company is otherwise notified by the Signatory. Notwithstanding the foregoing, if the Signatory tenders all of their Shares in the Offer (whether or not the Company accepts all such Shares for payment pursuant to the Offer), the Signatory's participation in the distribution reinvestment plan will automatically cease with respect to distributions scheduled to be paid after the Expiration Date. If the Signatory holds Shares in a brokerage account maintained at Ameriprise Financial Services, Inc. or LPL Financial LLC, all such distributions scheduled to be paid after the Expiration Date will be remitted to Ameriprise Financial Services, Inc. or LPL Financial LLC, respectively, to be credited to the Signatory's brokerage account. If the Signatory does not hold Shares in a brokerage account maintained at Ameriprise Financial Services, Inc. or LPL Financial LLC, respectively, all such distributions scheduled to be paid after the Expiration Date will be paid in cash by check mailed to the registered holder at the address on file with the Company.

All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the Signatory and all obligations of the Signatory hereunder shall be binding upon the heirs, personal representatives, successors and assigns of the Signatory. Except as stated in the Offer to Purchase, this tender is irrevocable.

The Signatory hereby acknowledges that capitalized terms not defined in this Letter of Transmittal shall have the meanings ascribed to them in the Offer to Purchase.

INSTRUCTIONS TO LETTER OF TRANSMITTAL (continued)

4. *Withholding.* The Company is entitled to deduct and withhold from the Purchase Price otherwise payable to any holder of Shares whose Shares are accepted for purchase by the Company any amounts that the Company is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended, or any provision of state, local or foreign tax law. To the extent that amounts are withheld, the withheld amounts shall be treated for all purposes as having been paid and issued to the holder of Shares in respect of which such deduction and withholding was made.

5. *Transfer Taxes.* The Company will pay any transfer taxes payable on the transfer to it of Shares purchased pursuant to the Offer; provided, however, that if payment of the Purchase Price is to be made to any person(s) other than the registered holder(s), the amount of any transfer taxes (whether imposed on the registered holder(s) or such other person(s)) payable on account of the transfer to such person(s) will be deducted from the Purchase Price unless satisfactory evidence of the payment of such taxes, or exemption therefrom, is submitted herewith.

6. *Determinations of Validity.* All questions as to the form of documents and the validity of Shares will be resolved by the Company in its sole discretion, whose determination shall be final and binding, subject to the rights of tendering shareholders to challenge the Company's determination in a court of competent jurisdiction. The Company reserves the absolute right to reject any deliveries of any Shares that are not in proper form, or the acceptance of which would, in the opinion of the Company or its counsel, be unlawful. The Company reserves the absolute right to waive any defect or irregularity of delivery for exchange with regard to any Shares, provided that any such waiver shall apply to all tenders of Shares.

NONE OF THE COMPANY, ITS BOARD OF TRUSTEES, FS GLOBAL ADVISOR, LLC OR ANY OTHER PERSON IS OR WILL BE OBLIGATED TO GIVE ANY NOTICE OF ANY DEFECT OR IRREGULARITY IN ANY TENDER, AND NONE OF THEM WILL INCUR ANY LIABILITY FOR FAILURE TO GIVE ANY SUCH NOTICE.

7. *Requests for Assistance or Additional Copies.* Requests for assistance or for additional copies of this Letter of Transmittal may be directed to the Company at the address set forth on the cover page of this Letter of Transmittal. Shareholders who do not own Shares directly may also obtain such information and copies from their broker, dealer, commercial bank, trust company or other nominee. Shareholders who do not own Shares directly are required to tender their Shares through their broker, dealer, commercial bank, trust company or other nominee and should NOT submit this Letter of Transmittal to the Company.

8. *Backup Withholding.* To prevent the imposition of U.S. federal backup withholding tax on the gross payments made pursuant to the Offer, prior to receiving such payments, each shareholder accepting the Offer who has not previously submitted to the Company a correct, completed and signed Internal Revenue Service ("IRS") Form W-9 ("Form W-9") (for U.S. Shareholders) or IRS Form W-8BEN ("Form W-8BEN"), IRS Form W-8BEN-E ("Form W-8BEN-E"), IRS Form W-8IMY ("Form W-8IMY"), IRS Form W-8ECI ("Form W-8ECI"), IRS Form W-8EXP ("Form W-8EXP") or other applicable form (for Non-U.S. Shareholders), or otherwise established an exemption from such withholding, must submit the appropriate form to the Company.

INSTRUCTIONS TO LETTER OF TRANSMITTAL (continued)

If backup withholding applies, the Company is required to withhold a portion of any payment made to the shareholder with respect to Shares purchased pursuant to the Offer. The applicable rate for backup withholding is currently 24%. Backup withholding is not an additional tax. Rather, the U.S. federal income tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained by the holder from the IRS.

Certain holders (including, among others, most corporations and certain foreign persons) are exempt from backup withholding requirements. To qualify as an exempt recipient on the basis of foreign status, a holder must generally submit a properly completed IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8IMY or IRS Form W-8ECI, signed under penalties of perjury, attesting to that person's exempt status. A holder would use an IRS Form W-8BEN to certify that it is neither a citizen nor a resident of the United States and would use an IRS Form W-8ECI to certify that (1) it is neither a citizen nor resident of the United States, and (2) the proceeds of the sale of the Shares are effectively connected with a U.S. trade or business. A non-U.S. holder may also use an IRS Form W-8BEN to certify that it is eligible for benefits under a tax treaty between the United States and such foreign person's country of residence.

HOLDERS SHOULD CONSULT THEIR TAX ADVISOR(S) AS TO THEIR QUALIFICATION FOR EXEMPTION FROM THE BACKUP WITHHOLDING REQUIREMENTS AND THE PROCEDURE FOR OBTAINING AN EXEMPTION.

9. *Cost Basis.* The Company has elected the first-in, first-out (FIFO) method as the default for calculating cost basis for Shares as defined in the Company's offering documents. If you wish to change your cost basis method, please go to www.fsinvestments.com, click through "investor login" and login into your account and select "Cost Basis Options". Alternatively, please contact the Company at (877) 628-8575.
